BED CONFIGURATION

Design Your Perfect Bed

BED WIDTH

900MM

SYMA301

1050MM

SYMA302

Choose the ideal bed width to ensure resident comfort and safety.

Our range of bed sizes accommodates various needs and preferences, ensuring a restful and supportive sleep experience for every resident.

BED FRAME

Prioritise resident safety and caregiver ease with our thoughtfully designed bed frames, available with or without a central brake system for added security.

Our bed frames seamlessly blend functionality and aesthetics, ensuring both comfort and peace of mind in your care home environment.

STANDARD FRAME

SYMA301

WITH CENTRAL BRAKE

HEAD & FOOTBOARD

LOW FOOTBOARD V

SYMB308/SYMB312

CURVED LOW FOOTBOARD

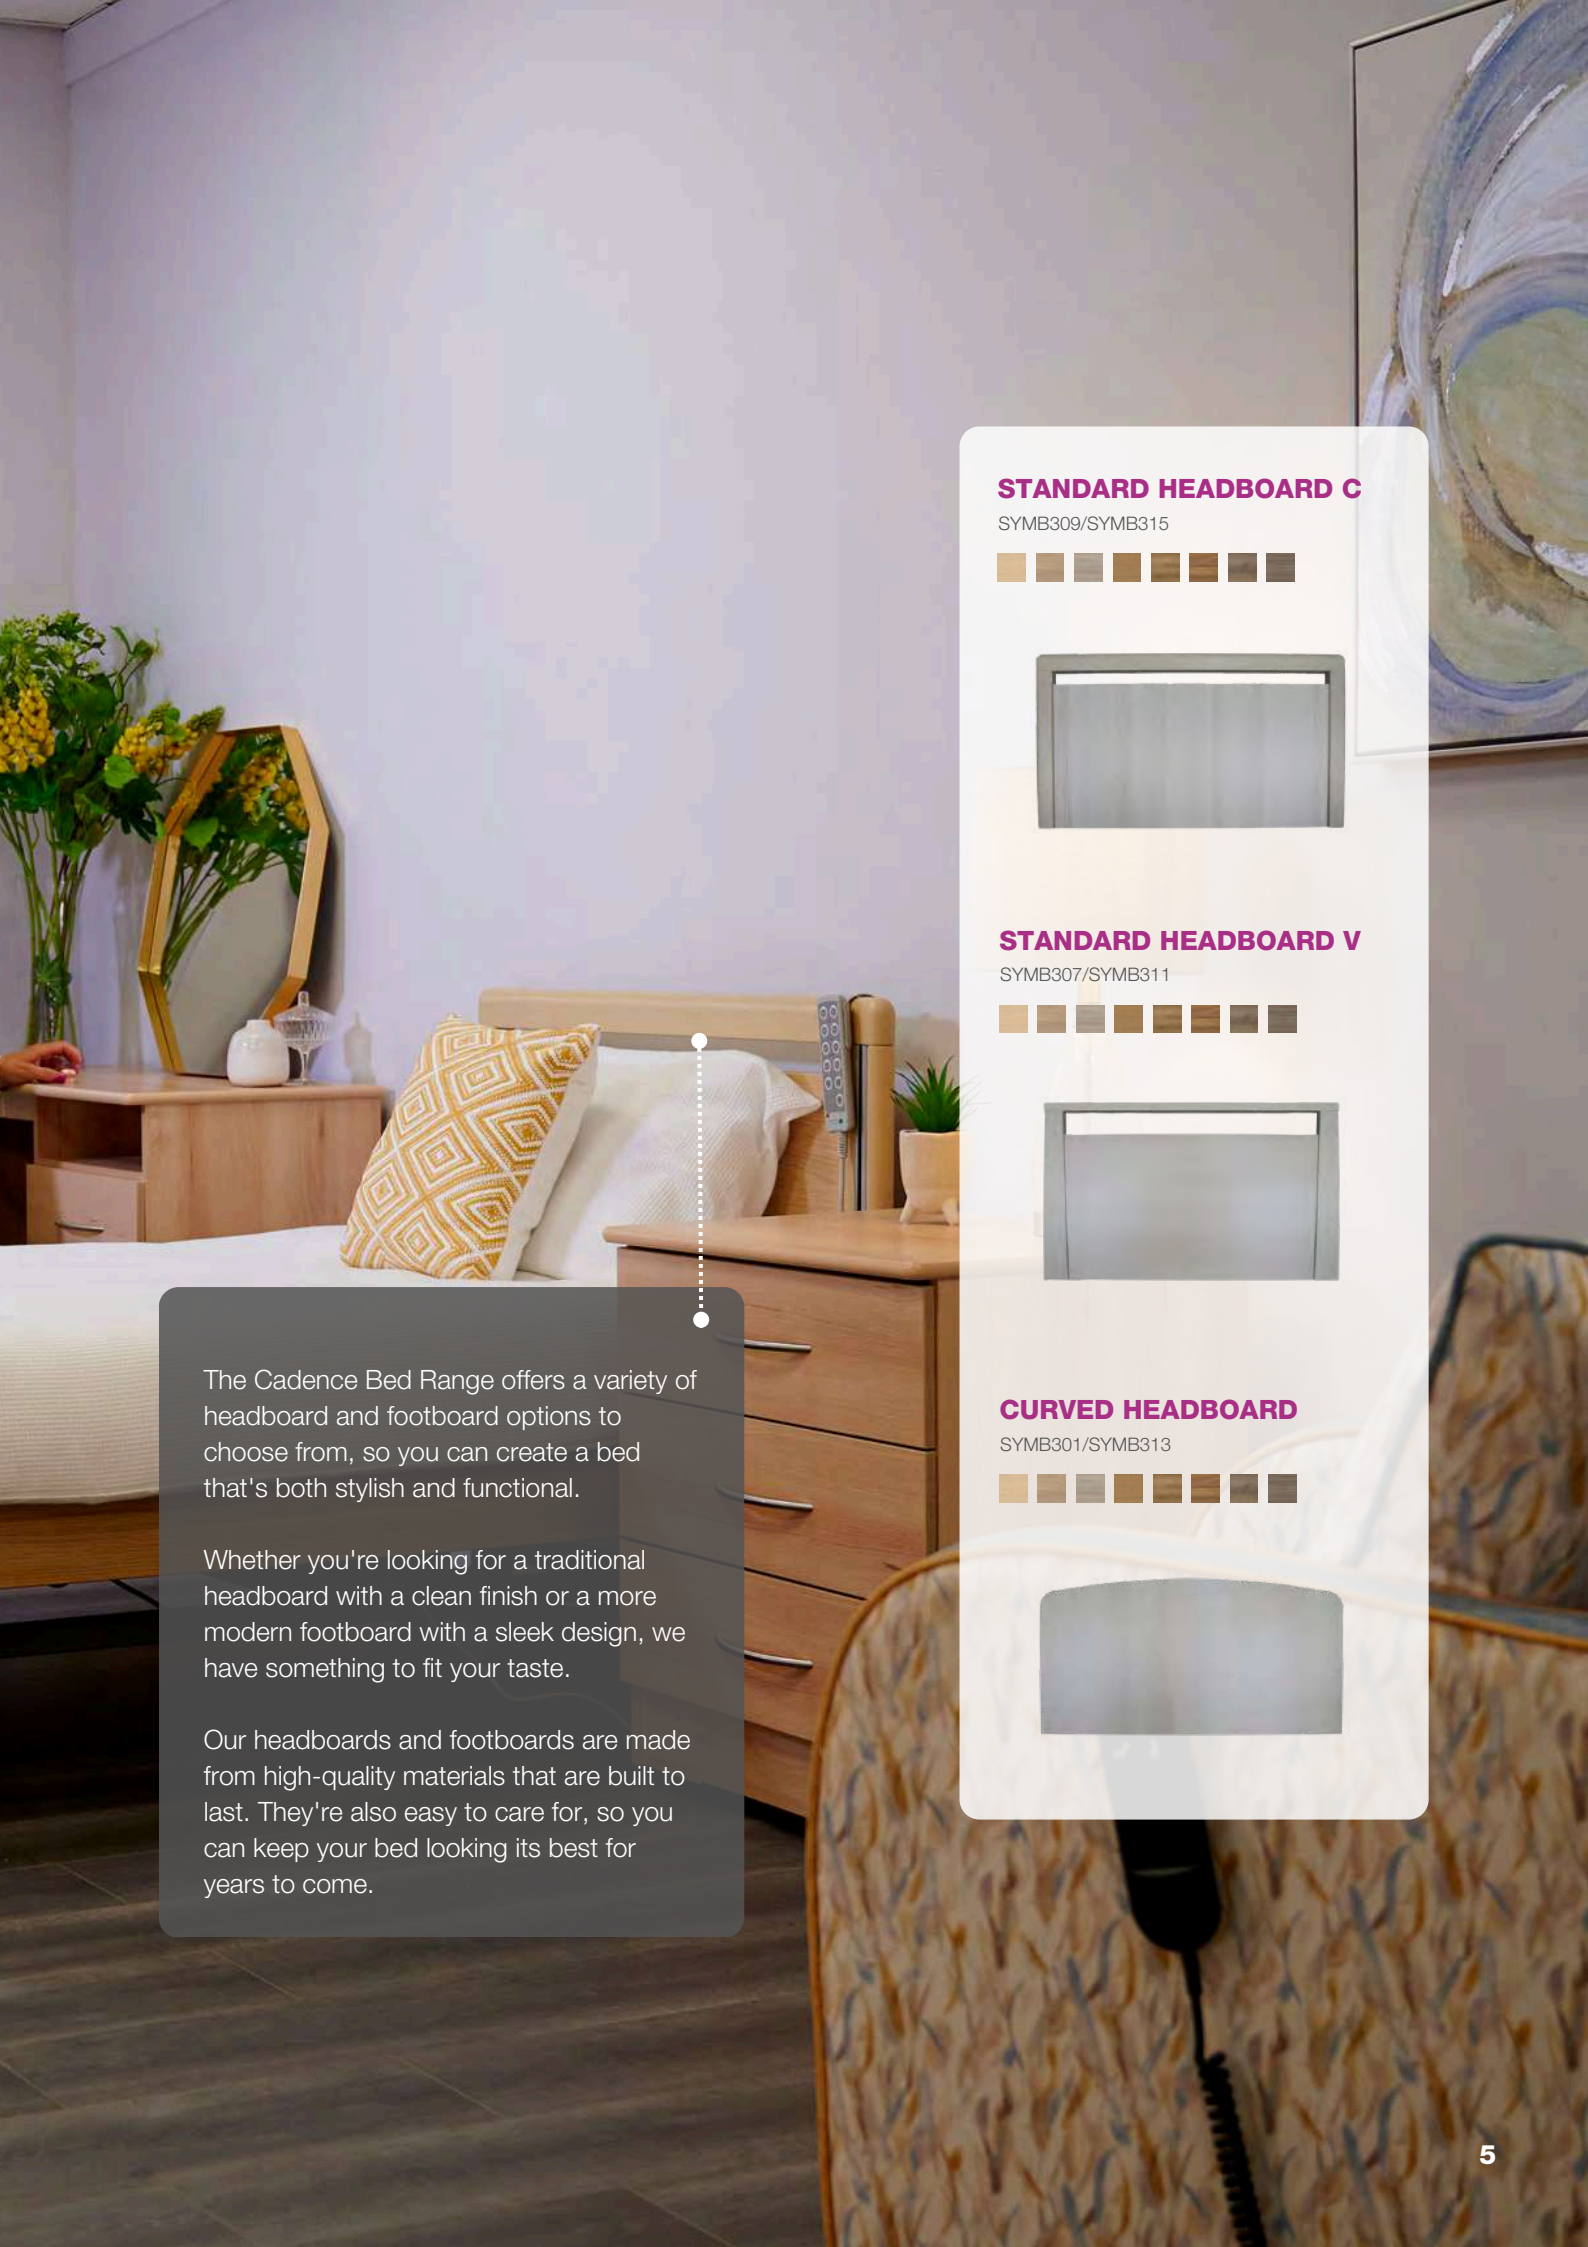

SYMB305/SYMB314

Enhance the look and feel of your care home rooms with a selection of head and footboard styles, ranging from classic to contemporary.

These thoughtful design elements add a touch of personality and create a welcoming feel that promotes resident comfort and well-being.

STANDARD HEADBOARD C

SYMB309/SYMB315

STANDARD HEADBOARD V

SYMB307/SYMB311

CURVED HEADBOARD

SYMB301/SYMB313

The Cadence Bed Range offers a variety of headboard and footboard options to choose from, so you can create a bed that's both stylish and functional.

Whether you're looking for a traditional headboard with a clean finish or a more modern footboard with a sleek design, we have something to fit your taste.

Our headboards and footboards are made from high-quality materials that are built to last. They're also easy to care for, so you can keep your bed looking its best for years to come.

SIDE SKIRTS

STANDARD SIDE SKIRT

SYMC301

Choose from a variety of styles, colours, and materials to create a look that perfectly matches your decor.

Whether you prefer a classic or modern aesthetic, we have the perfect side skirt to complement your bed.

Side skirts are available as an optional extra.

SIDE RAILS

Prioritise resident safety and independence with our adaptable side rail options, designed to minimise fall risk while maintaining a sense of openness and freedom in your care home rooms.

Our side rails are easy to operate for both residents and caregivers, ensuring a secure and comfortable environment that promotes safety and well-being.
